

SEND Classes

We try to make sure your child is in the best environment for them. To give us the best opportunity for this to happen we ask that if your child has additional needs, you give us a call so we can get more information.

After the trial we can assess what the best class for them will be. We will then work very closely with you to enable your child to get the most out of their gymnastics classes.

We do not claim to be experts, however, we try our very best to make sure our club is open to everyone!

Please email office@watfordgymnastics.co.uk to arrange a phone call.

Many thanks

Nickie
